

Support our schools by becoming an **AXXESS MEMBER!**

The coronavirus has closed our children's schools and caused a loss of tax revenue which is expected to drastically reduce education funding well into next year. That's why our local schools need our support now more than ever!

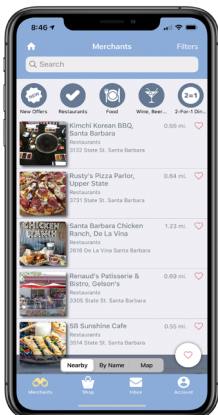

For this reason, my child is participating in a remarkable fundraiser which helps to raise money for _____ by selling Axxess Memberships!

(School Name)

Both Students AND Parents Win!

Each Axxess Membership sold earns our children's schools \$13 for supplies, special programs, and other essentials. In addition, your \$40 Membership will provide you with exclusive discounts at 1,000+ local restaurants, shops, and more.

With 400+ 2-for-1's, it's not hard to see how the average Axxess Member saves \$1,000 per year. And NOW, it's even easier to save big – starting this year, all Axxess Memberships are accepted in both Santa Barbara & Ventura Counties!
